**Vice- Monthly Report**

Professor Cheryl de la Rey highlighted the following items and updates:

The contribution of Steven Ratuva in Pacific Studies was acknowledged.

The national budget included an increase in SAC funding, but the increase is significantly lower than the inflation rate and there would not be an increase in Research funding.

A reduction in the forecast deficit to the University had been created through several factors including delayed spending.

The Vice-Chancellor had attended the tangi for Dame Aroha Reriti-Crofts and the University had contributed koha.

Indications were that the University would experience a slow re-introduction of international students to campus.
