

Bachelor of Engineering (Honours)
Expression of Interest for Direct Entry to the
Second Year or Modified First Year

Expression of Interest Form 2024

- Advancing in Mathematical Sciences at University of Canterbury (or equivalent courses at another tertiary institution);

- _____ :
- a. Have achieved at least 20 credits, with excellence endorsement in each of Physics and Chemistry;
 - b. Scores of 7 HL in each of Physics and Chemistry;
 - c. An A grade in A Level in each of Physics and Chemistry.

You should initially apply to enrol for the Engineering First Year ("BE(Hons) FIRST" label) through [myUC](#). The Faculty of Engineering Student Advisors will contact you to discuss further options once NCEA/IB/CIE results are officially released. This will occur in mid to late January.

Please fill out the form below after 1st October, and before 31st December, and return it to the address provided to indicate your interest in being considered.

Last name _____ First name(s) _____

NSN Number _____ UC Number _____

What other subjects/courses are you interested in? _____

Please indicate the subjects you are studying in your final year of school, and the level at which you are studying them (e.g. NCEA Level 3 / 4 Mathematics or Calculus, Physics, Chemistry, STAR course, Star MATH199, IB, Cambridge etc) *

Star MATH199 at UC

OR

Equivalent course(s) to Star MATH199*
(please specify below)

AND

NCEA Level 3 Physics

NCEA Level 3 Chemistry

International Baccalaureate (IB)

Cambridge International Examination (CIE)

Other courses (please specify below)

* Note: If you have taken the International Baccalaureate (IB), Cambridge, 4@
