

University of Canterbury Transport Issues and Options 2017
UC

long term planning. This is a key opportunity the TAP seeks to engage with. Other opportunities to contribute include:

1. Advise on issues and opportunities across the different travel modes (see Appendix A).
2. Review and recommend on findings of the 2016 Travel Survey
3. Implement 2020 Travel Survey.
4. Contribute to UC being a good neighbour.
5. Support development of submissions.

Appendix A: Overview of travel mode issues

Below is a summary of the current status of different travel modes used by staff and students,

projects implement5rybyjecU(tusC fo(b)1r0(m)6eed 0(m)6(o)-5(d)3(es), (jeca(di)- st)fut4(r15)7(cjec5(d)3(le)p(e)5(d)

Opportunities

- Campus Master Planning: mini hub for bus network.
- Subsidised bus fare scheme (Christchurch-wide)
- Night shuttle bus in areas surrounding UC.
- Integrated Canterbury Card-Metro Card.
